

## Call for applications «restart»

### Support of rehearsals to remount the shows

As a result of Covid-19, theatres in Switzerland and around the world had to close their doors. In addition, numerous guest performances by independent Swiss theatre and dance companies as well as performing arts festivals were cancelled or postponed. Pro Helvetia is introducing a temporary measure to accompany the «restart» of tours after this forced break. The support of rehearsals to remount the shows should enable independent companies to present their productions to national and international audiences.

Applications can be submitted by independent companies for tours abroad or in the other language region and must meet the following conditions:

- The tour takes place in the 2020/2021 season.
- The tour is supported by Pro Helvetia.
- The production has not been performed for at least six months.

Priority will be given to productions that have received a work grant from Pro Helvetia, tours with several dates and venues, and invitations to outstanding international platforms.

Depending on the size of the production, an amount of CHF 5,000, CHF 10,000, CHF 15,000 or CHF 20,000 is awarded.

Excluded are companies which are supported by a cooperative funding agreement in 2020.

Applications can be submitted until 30 September 2020 via [www.myprohelvetia.ch](http://www.myprohelvetia.ch).
